

| | |
|--|--|
| Name: | |
| University: | |
| Type of Project (e.g. Masters by research, PhD, linkage grant, grant partnership): | |
| Title of request: | |
| Email: | |
| Phone: | |

Please provide responses to the questions below for consideration of your request.

Email to research@ngala.com.au, attaching any relevant documents e.g. proposal, ethics approval, questionnaires/surveys, flyers etc.

| |
|---|
| 1. Describe the purpose, background, aims and overview of the project (attach brief of proposal). |
| |
| 2. Has there been ethics approval? If so, please attach. If not, when is this anticipated? |
| |
| 3. Are there any identified risks? Low/high and strategies for mitigation? |
| |
| 4. What level of support are you requiring from Ngala? |
| |

5. What resources will be required by Ngala?

6. What do you see might be some of the challenges as part of the research?

7. What would be the benefit to Ngala/community?

8. Any other issues to consider/monitor?
